

Not accepting the election for Vice President from August 2nd, 2023.

Dear YEM Community,

Thank you for the many questions and suggestions regarding YEM.

I have stepped up as a part of the Interim Board to initiate and finalize several directional steps for the benefit of YEM leading up to the new elections in June 2024, so that the 2024-2027 Board will then have appropriate concrete foundations in place.

After deep research and conversations, we have determined, with the involvement of those acting at Unicorn, UAC, TCU, and the YEM Foundation, that together we cannot implement Project 300 within the Unicorn/YEM matrix, no matter how we have approached each new task. Therefore, the common path of separate and mutually supportive matrices has been agreed upon.

In consultation with the President Lora Bilger, I have decided for practical reasons not to accept the election as Vice President of the YEM FOUNDATION.

I will, of course, remain a loyal supporter of the President.

In deep solidarity
Klaus Bielke
